ACADEMIC EMPLOYMENT

Assistant Professor: **New York University** (2023 -)
Department of Psychology
Department of Neural Science

Post-doctoral fellow: **Harvard University** (2020 – 2023)
Cognitive Neuropsychology Lab (PI: Alfonso Caramazza)
Department of Psychology

EDUCATION

Ph.D.: **New York University** (2015 – 2020)
Psychology (Supervisor: Liina Pykkänen)
Thesis: *Towards an ecologically valid neuroscience of bilingualism.*

Harvard University (research fellow, 2018 – 2019)
Psychology (Supervisor: Alfonso Caramazza)

M.Sc.: **Basque Center on Cognition, Brain and Language** (Honors, 2013)
Cognitive Neuroscience of language.

B.A.: **University of Deusto** (Honors, 2012)
Basque philology and Linguistics

AWARDS AND SCHOLARSHIPS

2025: Early Career Award: Society for the Neurobiology of Language

2021: Glushko dissertation award: Cognitive Science Society.

2021: NYU-wide Outstanding dissertation award in the basic sciences.

2021: Graduate School of Arts and Sciences: Outstanding dissertation award.

2020: Ben Barres fellowship for post-doctoral research.

2020: Coons/Leibowitz graduate student teaching award.

2019: Forbes 30 under 30 in Science.

2019: Martin Braine Fellowship in Psychology.

2018: Dingwall Foundation Award in the Cognitive, Clinical, and Neural Foundations of Language.

2018: New York University: Dean's Student Travel Award.

2017: Society of the Neurobiology of Language: Predoctoral fellow merit award.

2017: Woodcock Institute Award for the advancement of neurocognitive research.

2016: Helmsley Fellowship for cross-disciplinary research.

2016: New York University: Dean's Student Travel Award.

2015: Neurobiology of Language Conference: Travel Award.

2015: New York University: MacCracken Fellowship for doctoral studies.

2014: La Caixa Foundation: fellowship for graduate studies in North America (4% success rate).

2012: BCBL: academic scholarship (awarded to the 5% most promising incoming students).
2011: Basque Government fellowship for undergraduate research projects.
2010: University of Deusto: Dean's fellowship for undergraduate research projects.
2008: Basque Government: Distinguished Academic scholarship (top 1% students graduating high school in the country).

GRANTS

Pending

2026 – 2029 **Optimizing Meaning Across Languages: A Computational and Neural Investigation of Bilingual Semantic Structure (Role: PI. Requested: \$706,750)**
Funding Agency: NSF BCS

Awarded

2026 **From Quantum Sensors to Brain Science (Role: PI. \$70,750)**
Funding Agency: NSF BCS (Grant 2622304)

2025 – 2028 **Neural bases of bilingual language production (Role: PI \$607,772)**
Funding Agency: NSF BCS (Grant 2446452)

2025 – 2028 **Graduate Research Fellowship (Role: Sponsor / Fellow: Maya Taliaferro. \$144,500)**
Funding Agency: National Defense Science and Engineering Graduate Fellowship (NDSEG)

2024 – 2025 **Influence of multilingualism on brain plasticity and development (Role: PI. \$27,140)**
Funding Agency: NYU (Mega-grants initiative award)

2022 – 2027 **Language-specific and general mechanisms in bilingual aphasic individuals (Role: PI \$1,003,338)**
Funding Agency: NIH/NIDCD (K99/R00, R00 DC019973-01)

2022 – 2025 **Adaptations to Multilingualism (Role: Advisory team 68.365,00 €).**
Funding Agency: Spanish Ministry of Science (PID2021-124399NA-I00).

TEACHING

Teaching Instructor (NYU)

Spring 2026: Undergraduate Cognition
 Spring 2024: Undergraduate Cognition
 Fall 2024: Undergraduate Cognition

Guest Lectures & Summer Schools

2026: *Cold Spring Harbor Laboratories*. Genetics and Neurobiology of Language course.
 2025: *Graduate School of Linguistics (LOT)*. Week-long summer course on neurolinguistics (Radboud University).
 2022: *Linguistics and Cognitive Science*. Lecture on the neural bases of bilingualism (NYU).
 2020: *Cognitive Psychology*. Lecture on bilingualism and sign language cognition (Dartmouth).
 2019: *Neural bases of Language*: Lecture on the neurobiology of bilingualism (NYU).
 2017: *Neurolinguistics*. Lecture on bilingualism and aging (Young Leaders of the Americas Initiative).
 2017: *Cognition*. Lecture on language and cognition (NYU).
 2016: *Neural Bases of Language*. Lecture on the neurobiology of bilingualism (NYU).
 2016: *Neural Bases of Language*. Lecture on the neural bases of perceptual attunement (NYU).

MEMBERSHIP IN PROFESSIONAL ORGANIZATIONS

2025 – 2028 Elected Treasurer, Society for the Neurobiology of Language
 2020 – 2022 Accessibility and Diversity Committee, Society for the Neurobiology of Language
 2018 – 2021 Elected Board Member, Society for the Neurobiology of Language
 2016 – present Member, Society for Neuroscience
 2015 – present Member, Cognitive Neuroscience Society
 2014 – present Member, Society for the Neurobiology of Language

ADVISING AND MENTORING

PhD advisees

2024-present Aditi Singh (Psychology, NYU)
 2023-present Jessica Chen, Maya Taliaferro (Psychology, NYU)

Undergraduate research projects

2025 Anushree Anandani (Psychology, NYU)
 2022-2023 Alisa Ragassa (Psychology, Harvard)

Dissertation committee

2026	Alline-Priscillia Messi (Psychology, NYU), Jessica Goebbel (Linguistics, NYU)
2024	Natália Pinheiro (Linguistics, Federal University of Santa Catarina in Brazil)

NYU qualifying paper committee

Jessica Goebbel (Linguistics, NYU)
Auromita Mitra (Linguistics, NYU)

First and Second year paper committee

Hanxiao Lu (Psychology, NYU)
Meghan Kalvey (Psychology, NYU)
Youjing Luo (Psychology, NYUAD)

SERVICE

a) Departmental service

Center for Brain Imaging Protocol Review Committee
Diversity Equity and Inclusion Committee (now Community Building and Outreach Committee)
Education Policy Committee (EPC)

b) Ad hoc journal reviewer

Nature Reviews Psychology; Neurobiology of Language; Cognition; Scientific Reports; Human Brain Mapping; Proceedings of the National Academy of Sciences, PLOS Biology; PLOS One; Journal of Neuroscience; NeuroImage; Brain and Language; Language, Cognition and Neuroscience; Journal of Cognitive Psychology; Journal of Neurolinguistics, Bilingualism: Language and Cognition; Cerebral Cortex; Journal of Cognitive Neuroscience.

c) Ad hoc grant reviewer

National Science Foundation (NSF) – Linguistics and Developmental Sciences Program Panel; Hong Kong Research Grants Council; Polish Ministry of Science and Higher Education; Polish National Centre for Research and Development; Rochester Neuroscience Grant Program.

d) Ad hoc conference reviewer

Architectures and Mechanisms for Language Processing (AMLaP), Society for the Neurobiology of Language (SNL), International Symposium on Bilingualism (ISP), International Conference on Theoretical East Asian Psycholinguistics.

e) Conference organization

Program committee (Society for the Neurobiology of Language annual meeting; 2020, 2021, 2026).

f) Elected Representative

Society for the Neurobiology of Language: Treasurer (2026-2028).
Society for the Neurobiology of Language: Student and Post-doc representative (2019-2022).
